

## PADI Seal Team

The PADI Seal Team program is an exciting underwater activity-filled introduction to the world of diving. The PADI Seal Team program gives young people a chance to swim around underwater and experience adventure and experience

adventure, discovery, and thrills. In addition, it provides parents with a structured program that lets their children develop skills, learn about the aquatic environment and

have a lot of good, clean fun. This is also an excellent way to introduce kids to SCUBA diving prior to full Open Water Diver certification. All Aqua Missions take place at George Washington Rec Center in Mt. Vernon, VA. Upon successful completion of the first 5 Aqua Missions, students become PADI Seal Team

members. Upon successful completion of 10 additional specialty Aqua Missions, students become Master Seal Team members.
