For Beginners

Discover Scuba Session - \$45

Great for those who have always wondered what it would be like to breathe underwater, Splash provides all the gear, and sessions usually last 1-2 hours. Bring your swimsuit, towel and enthusiasm.

Bubblemaker/SASY (surface supplied scuba) - \$45

For kids who never seem ready to get out of the water, this is a great way to let them try diving in a safe environment. Bubblemaker is the same as the adult Discover Scuba, but for kids 8-14; SASY is for kids ages 5-8.

Discover Snorkeling - \$35

Whether you're a beginner or experienced snorkeler, this is a great opportunity to practice in a pool environment with a dive professional.

Skin Diver - \$35

Build confidence and enjoy yourself while improving your skin diving ability with tips from our staff. Skin Diving is the best way to enjoy your tropical vacation without learning to dive.

For Certified Divers

Practice for those divers who haven't been in the water for a while. Bring your personal gear (mask, snorkel, booties, fins, weights and weight belt) and Splash will provide a wetsuit, BCD, and filled cylinder.

Photo Clinic - \$95

Work on your skills as a photographer while improving your buoyancy. Whether you're new to the magic of underwater photo, or just looking to brush up, this session is for you.

Peak Performance Buoyancy Clinic - \$95

A single session concentrated on streamlining your dive form, attaining optimal buoyancy control and a great opportunity to work on the little things.

Pool Use for Scuba - \$25

Certified Scuba divers are provided a filled cylinder and the opportunity to play with their gear in the pool for 1-2 hours at their own pace without direct supervision.
