Payments & Cancellation Policy:

Trip deposits range from \$300- 500 and are non-refundable within 90 days prior to departure. Final payments are due 45- 60 days prior to departure (30 days for local destinations). Expedition & Liveaboard trips may require half payment 120 days prior to departure, final payment 60-90 days and very limited refunds in the event of cancellation. Splash Dive Center will make every effort to find a replacement and work to gain refunds for our customers, however trip insurance is strongly recommended for the more expensive trips & expedition travel.

I, _____, hereby affirm that I have read and agreed to the above stated cancellation policy. I further acknowledge by signing this document that the above information is accurate to the best of my knowledge.
